

Practitioner's Docket No. MPI00-456P1RM

USSN: 09/927,112

REMARKS

The specification has been amended in order to 1) remove any blank spaces associated with ATCC deposits and 2) delete all hyperlinks. No new matter has been added by virtue of the amendments contained herein. Because the amendments are made solely in an effort to remove blank spaces and hyperlinks, it is believed no substantial amount of work is required on the part of the PTO upon entry. Entry of these amendments is thus respectfully requested.
